## SPECIAL GUEST SPEAKER THIS SUNDAY

We will be blessed (and greatly informed) this **Sunday, February 28** to have James Baldwin, a representative from *Impact World Tour* with us. IWT is a division of Youth With A Mission.

James will be sharing not only information that will include a video of just some of what took place in the Dayton, Ohio area during 2009. In the Dayton area they presented the gospel to about 60,000 youth and watched as local believers met and followed up with 11,654 of them!

During this year Impact World Tour will be doing the same thing, and

specifically in the Fall here is S.E. Indiana. They will be bringing three teams (one called GX International, a high-energy 'extreme sports' team and TEAM XTREME, a power team) to hopefully every school in our region. Impact World Tour draws on the experiences of performance athletes and musicians from across the earth, to present the Gospel clearly to young people that the local Body is committed to reaching and discipling.

It is a massive undertaking, but one that we want to be an integral part of. Only 3% of the nation's young people are engaged in church.

If you have young people (junior-high & teens) do your best to have them here. Invite family and friends as well that have, or truly care about youth.

But even if you don't have a young person in your household, make sure you come and let this vision speak to you. Our area is going to need hundreds of volunteers coming from scores of churches to make this powerful outreach a success.

## MEN'S AND WOMEN'S ENCOUNTER WEEKEND

We believe the first step in becoming a disciple is to be "free indeed." Jesus said, "If you hold to My teaching, you are really My disciples. Then you will know the truth, and the truth will SET YOU FREE" (John 8: 31-32, NIV).

The Encounter Retreat is a weekend course in **FREEDOM** - freedom from habits, bondages, bitterness, wrong

thoughts, and past mistakes.

This Sunday, February 28th, there will be an informational table set up in Faith Fusion Café. Matt & Jen Griffin will be there to answer any questions you may have about the encounters. There will also be others on hand to share their experiences with you about past encounters they have been a part of.

The cost of the entire weekend has been reduced to \$30. This includes 5 meals and all of the materials. There

are no hotel accommodations in order to offset costs.

We encourage you to come and meet Matt & Jen and consider being a part of these life-changing weekends. And if you have been to one already, you are welcome to come and be refreshed again!

Men's Encounter is March 19 - 21  
Women's Encounter is March 26 - 28

## DISCOVERY CLASSES

The Winter semester of the Discovery classes has begun. These are three - ten week sessions made available to those who have participated and completed the Encounter.

In the Discovery classes, you will receive training and equipping to grow in your relationship with Jesus and to

disciple others. The focus includes family, prayer, and leading small groups.

Once you have completed the Discovery path, you are more than welcome to come back to be a part of any class multiple times. In these classes, a person successfully moves on to the next class by completing the

booklet on a weekly basis and attending at least eight of the ten weeks. These classes are held on a week night with special arrangements made when necessary.

# GRACE SCHOOLS BEGIN SECOND SEMESTER

The Kingdom Company School of Business will begin its second semester on March 3rd. The 1st semester proved to be an exciting and challenging one for the students involved. Students learned about Personal Development, Leadership & Team Building and Sales & Customer service. During this semester topics will include Marketing & Advertising, Business Finance & Completing Business Plans. The goal of this

school is to help students find a way to connect their business, career and entrepreneurial endeavors with the Lord by His Spirit.

The Grace School of Prophetic Training will also resume on March 3rd. During this semester topics will include Prophetic Evangelism, Prophetic Intercession, The Names & Nature of God, Dreams & Visions and a Workshop on Prophetic

Evangelism.

The goal of this school is to equip and train students to benefit the local church. Built on the New Testament model for prophetic ministry, this school restores validity and order to the prophetic movement.

Students are testifying of how they are learning how to hear more clearly from the Lord and operate more freely in the prophetic gift.

## UPCOMING

### Doorway Class – March 7th

The next scheduled Doorway Class is March 7th from 2-4:30 P.M. These classes are designed for those who are new to Grace Church and would like to find out more about the values and vision of this fellowship.

You will learn what our purpose statement at Grace Church is and why we exist as a church.

The purpose of our church is summarized with the four E's derived from the key scripture passage of Acts 2:42-47:

**EXALT  
ESTABLISH  
EQUIP  
EXTEND**

At the Doorway Class you will be presented a clear picture of how we pursue our purpose according to these verses.

You will hear how at Grace Church we believe every member is a Minister/Leader, every task is important, and every member is a "10" in some area.

The Doorway Class offers you the opportunity to ask questions that you may have about Grace Church.

If interested in attending this class, please stop by the Bookstore this Sunday, February 28th and sign up. Thanks!

## Values & Vision

## 'The Way' Youth Group

"Last month was such a great time. Thank you all for being a part of the Way Youth Group. I left last month's youth group knowing we are in the right direction in 2010!"

"The theme of this month's youth group is **Being a Secret Agent for Jesus**. Changing your culture WITHIN your culture. We'll be watching some movie clips from our favorite Secret Agent movies like James Bond 007 and Men in Black.

Your challenge, if you chose to accept it, is to dress in your best "Secret Agent" outfit on Sunday night. Don't know what to wear? Do some research on-line and try to match what they wear. (My personal favorites are Men in Black and Matrix outfits...but do your own research!) There will be prizes for the best outfits...so look good!"

Here is another Secret Agent Challenge for you guys. Find out

where this scripture is in the Bible and what the next scripture says also. Email it back to me as soon as you can. Good luck!

***"I have become all things to all men so that by all possible means I might save some."***

See you at 6pm this Sunday night, February 28th.

—Pastor Ryan Davidson

## “Crisis Is Your Place of Prosperity”

**T**hose who were able to brave the severe weather conditions on Monday, February 15, 2010 heard great insight from Dan Dyer, Pastor of Whosoever Will Full Gospel Church in Dugger, Indiana. WWFG Church partners with Apostolic Resource Ministries (A.R.M.), established by Apostle Chuck Clayton.

Dan has been asked by many to open wisdom to others on

taking our communities economically in order to establish greater Kingdom order.

Dan has been seeing great success in taking real estate properties that are having a negative impact on his community and turning them around to bless others in order to advance the vision the Lord has given him for his community.

There was a brief question and answer period, and everyone left with fresh insight from the Lord!

We had people from as far as West Virginia attending the training. PTL!
